## Be a *glass* *master*

You can create your own blown-glass ornament with the help of the glass artists at Flame Run contemporary-art glass studio in Louisville. Guests have the opportunity to choose their own colors and then actually blow their own ornament.

Personal ornament sessions with a Flame Run artist are available by appointment only through December 22. Slots are available on Fridays, Saturdays, and Sundays, as well as the week before Christmas. The cost is \$35 per person per ornament.

Children ages 5 and up may participate. Flame Run is located at 828 East Market Street near downtown. Log on to [www](http://www.flamerun.com).
